

Regrade Instructions

To the Student:

Please review your regrade requests with your GSI first to make sure that your request is valid. If the request is valid, write your request on the front of this sheet. Your GSI must then initial it. (NO initials equals no regrade!)

All regrade requests are due **Thursday Oct. 12th by 5 PM** in the mailbox outside of 2088 VLSB. **NO EXCEPTIONS.**

Please fill in all of the information for the following table EXCEPT Columns 4 & 5.

You must examine the grading keys posted outside of 2084 VLSB (also on-line). Justify your requests in the box by listing the reason you should be given credit based upon how the question was answered.
