Spring 2007

MCB 102: Survey of the Principles of Biochemistry and Molecular Biology

Course website: http://mcb.berkeley.edu/courses/mcb102/

GSI: Pantea Houshmand
Email: pantea_mcb@yahoo.com (please allow at least 24 hours for a response)

Discussion Section: Mondays 9-10am (101) & 10-11am (113) **Location**: 100 Wheeler

Office Hours*: Mondays 1:30 - 3:30 pm **Location:** 105 GPB
***any changes will be announced in discussion**

Grading:
Discussion section makes up 10% of your overall class grade. A total of 33 points are possible.

6 Quizzes will be given worth 6 points each. Your lowest quiz grade will be dropped. There will be NO make-up quizzes. If you miss a quiz, it will count as your lowest score. Quizzes will not be re-graded unless an arithmetic error was made. Attendance, participation & enthusiasm are worth an additional 3 points.

Quiz dates for this section are as follows:

- Quiz 1: Jan 29
- Quiz 2: Feb 12
- Quiz 3: March 5
- Quiz 4: March 19
- Quiz 5: April 16
- Quiz 6: April 30

Important Notes:
Discussion section provides you with the opportunity to strengthen your understanding of the concepts discussed in lecture as well as clarify any lingering questions you may have.

You are welcome to switch sections during the first 2 weeks of class to find a GSI who fits your schedule and learning style.

However, once you have taken a quiz in a certain section, you must continue to take the remaining quizzes and participate in that section for the remainder of the course.

DSP students: Please let me know as soon as possible if you need or anticipate needing any accommodations in discussion section or for the midterms.
