

9th Annual UC Berkeley Molecular Cell Biology/
Cellular and Developmental Biology Symposium

I  **n Channels,**
Receptors and Calcium
Signaling:
From Structure to Disease

Saturday, March 22, 2014
9 AM-5 PM
245 Li Ka Shing Center
UCB Campus

Bill Catterall, PhD
HHMI, U. of Washington
David Clapham, MD, PhD
HHMI, Harvard Med. School
Marla Feller, PhD
UCB
Rachelle Gaudet, PhD
Harvard University

Jeffrey Holt, PhD
Harvard Med. School
David Julius, PhD
UCSF
Richard Lewis, PhD
Stanford School of Med.
Dan Minor, PhD
UCSF

There is no cost to attend but space is limited. Register at:
