

We have put together a list of summer research opportunities at UCB and other institutions, based on pamphlets that we have received. This list is by no means exhaustive, but should give you a start to finding summer programs. The deadlines vary, with some in mid-January and others in early March. If you see something of interest, do some research to determine the time frame in which you need to work to apply.

Please check the following site for more information: <http://www.pathwaystoscience.org/SummerResearch.asp>

UCB Summer Programs and Resources

- [Biology Fellows Program](#)
- [Amgen Scholars Program](#)
- [Berkeley iGEM Team](#)
- [Berkeley Summer Bioengineering Programs](#)
- [Haas Scholars Program](#)
- [National Science Foundation Summer Research Experience for Undergraduates](#)
- [Summer Undergraduate Research Fellowships](#)
- [CHORI \(Children's Hospital Research Institute\)](#)
- [Research @ Berkeley](#) (UCB related programs)
- [Research @ Berkeley](#) (Bay Area Programs)

Non-UCB Domestic Summer Programs

Alabama, The University of
[Summer Undergraduate Research Opportunities](#)

American Society for Pharmacology & Experimental Therapeutics
[Zannoni Summer Undergraduate Research Fellow Awards](#)

Amgen Scholars Program
