

Admitted to Cal and intending MCB? Check out the [New Freshman](#) or [New Transfer Student](#) page!

SUMMER 2013

- The MCB UAO office is open throughout the summer to office advising services. However, faculty advisors and major declarations will resume in the fall semester.

FALL 2013

- Faculty and peer advising will resume on the first day of instruction, August 29, 2013.
- Effective fall 2013, the prerequisites for Biology 1A have changed to Chem 1A/1AL or equivalent with grade C- or higher, or a 4 or 5 score on the Chem AP test; Chem 3A or 112A recommended. Biology 1AL must be taken concurrently (unless exempt by major).

MAJOR DECLARATIONS: Major declarations have ended for the spring 2013 semester and will resume at the beginning of the fall 2013 semester. Any students currently in the process of declaring must complete it by Friday, May 10, 2013. Any students who do not complete the process will need to restart the process in fall 2013.
