

### Projected GSI Appointments Fall 2018

| <b>Biochemistry, Biophysics and Structural Biology (BBS)</b> |  | <b># of GSI Fall</b> |
|--|--|----------------------|
| C100A  | Kuriyan, Savage, (Chem instructor)     | 3                    |
| 110  | Le Blanc, Zhou, Hurley                 | 2                    |
| C110L  | Martin, Le Blanc, Zhou, Hurley         | 3                    |
| C112   | Ryan (PMB)                             | 1                    |
| <b>Cell and Development Biology (CDB)</b>                    |  |                      |
| Bio 1A   | Welch, Melis (PMB), Fisher (PMB)       | 8                    |
| Bio 1AL  | Gerriga                                | 3                    |
| 32   | Ball                                   | 6                    |
| 32L  | Ball                                   | 3                    |
| 132  | Luo, Dupage, He                        | 2                    |
| 133L   | Dernberg, Hockemeyer, Weisblat         | 3                    |
| 135A   | Firestone                              | 2                    |
| 136  | Bautista, Lishko, Hariharan            | 5                    |
| <b>Genetics, Genomics and Development (GGD)</b>              |  |                      |
| 140  | Koshland, Rokshar, Darzacq             | 2                    |
| <b>Immunology and Pathogenesis (IMP)</b>                     |  |                      |
| 150  | Winatoo, Raulet                        | 2                    |
| 150L   | Beatty, Sha                            | 2                    |
| <b>Neurobiology (NEU)</b>                                    |  |                      |
| C62  | Presti                                 | 6                    |
| 160  | Bateup, Ngai, Isacoff                  | 4                    |
| 163L   | Ball, Roelink, Lammel                  | 3                    |
| 166  | Elul, Miller A                         | 1                    |
| <b>General Departmental Courses (GEN)</b>                    |  |                      |
| 102  | Bustamante, Wildermuth (PMB), Calendar | 7                    |
| 104  | Zoncu, Eisen, Miller                   | 4                    |

### Projected GSI Appointments Spring 2019

| <b>Biochemistry, Biophysics and Structural Biology (BBS)</b> |                           | <b># of GSI Spring</b> |
|--|---------------------------|------------------------|
| C100A  | Cate, Groves (Chem)       | 2                      |
| C100B  | Savage, Zoncu, Marletta   | 2                      |
| 110  | Thorner, Zhou, Nogales    | 2                      |
| C110L  | Le Blanc, Park            | 4                      |
| <b>Cell and Development Biology (CDB)</b>                    |                           |                        |
| Bio 1A   | Doudna, Dillin, Feller    | 8                      |
| Bio 1AL  | Weisblat                  | 4                      |
| 38   | Ball, Firestone           | 2                      |
| 130  | Brar, Drubin, Rape        | 1                      |
| 133L   | Luo, Titov, Lishko        | 4                      |
| 137L   | Garcia                    | 1                      |
| <b>Genetics, Genomics and Development (GGD)</b>              |                           |                        |
| 140  | Unal, Rine, Roelink       | 2                      |
| 140L   | Unal, Dillin, Garriga     | 6                      |
| 141  | Patel, Harland, Gerhart   | 2                      |
| 149  | Meyer, Moorjani           | 1                      |
| <b>Immunology and Pathogenesis (IMP)</b>                     |                           |                        |
| 50   | Beatty                    | 2                      |
| 150  | Robey, Sha                | 3                      |
| 150L   | Beatty, Cox, Saijo        | 4                      |
| <b>Neurobiology (NEU)</b>                                    |                           |                        |
| C61  | Presti                    | 8                      |
| 160L   | Ball, Brohawn, Feller     | 3                      |
| 161  | Feldman, Dan, Scott       | 3                      |
| 165  | Ball, Bateup, Lammel      | 2                      |
| <b>General Departmental Courses (GEN)</b>                    |                           |                        |
| 15   | Matsui                    | 2                      |
| 102  | Davies, Miller E, Ingolia | 7                      |
| 104  | Bilder, Darzacq, King     | 5                      |
